

COMPLIANCE OF HYDRAULIC TIPPERS

Hyphen Tech DPO systems enable your hydraulic tipper to be compliant with French law JORF notice n°0172 of 14 July 2020 (text n°80).

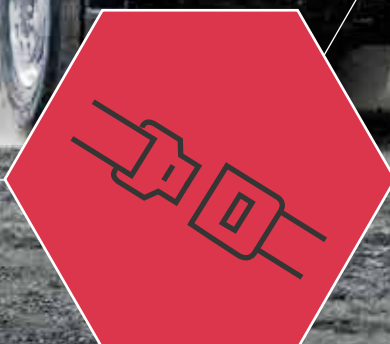

The status of your hydraulic equipment is displayed in the cabin on our compact screens visually and acoustically, on the vehicle's dashboard or directly with a buzzer.

Easy to install, take advantage of Hyphen tech's expertise and wireless technology.

WIRED ECO PANEL OPENING SIDE DETECTION KIT

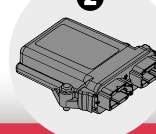

The Hyphen Tech DPO system enables your hydraulic tipper to comply with JORF notice n°0172 of 14 July 2020 (text n°80). This wired kit can be installed quickly and economically with its fully pre-wired components.

The DPO controller can manage from 1 to 2 side panels, giving a common buzzer alert and an indicator alert (buzzer and indicators not included).

It can also be connected to the bodybuilder Can bus interface to control alerts and speed limits the vehicle.

pre-wired inductive sensor 15 meters

Atlas connect controller

pre-wired led indicator and buzzer
