

COMPLIANCE OF HYDRAULIC TIPPERS

Hyphen Tech DPO systems enable your hydraulic tipper to be compliant with French law JORF notice n°0172 of 14 July 2020 (text n°80).

The status of your hydraulic equipment is displayed in the cabin on our compact screens visually and acoustically, on the vehicle's dashboard or directly with a buzzer.

SAFETY

VISIO CABIN TOUCHSCREEN KIT FOR TIPPER TRUCKS

Wireless cabin display and warning device compatible with the 6-function kit DPO 6 or DPO auto. Visio has been specifically designed to monitor the status of the elements of a tipping or removable dual-purpose vehicle.

Any anomalies are indicated visually and acoustically on the device.
